

Life's Work Clinic, PLLC, Sliding Fee, Self-Pay Fee Schedule

These rates apply to clients who either do not have health insurance and will be paying for the services themselves or for those who have a large deductible that must be met before their insurance starts paying.

This is documented in their client profile by clicking "Eligible for Sliding Fee Scale / UMDAP" and then inputting their household income by clicking the "Add Family Income" button. It is customary to apply this information for up to a year from initially inputting the numbers.

Sliding Fee Scale for Self-Pay Counseling

Annual Family Income	Self-Pay Rate
\$0-60K	\$75.00
\$61-90K	\$100.00
\$91K+	\$150.00

Once this information is documented, the system will automatically calculate the client's responsibility that will be reflected in their balance.
