Attention: [REDACTED], MSN, APRN, FNP-BC, FNP-C

My name is Adam DeVaney, and I am seeing [REDACTED], DOB: [REDACTED], for bi-weekly counseling. She relocated to Michigan from South Carolina in mid-November, 2024, and she has struggled to set up the same types of supports as she had in SC.

Specifically, her two biggest hurdles are listed below. If your staff could assist her in these two tasks, these could make a world of difference in her life.

- **Need to get medical records from Clemson Eye, Attn: [REDACTED], MD**
 - **360 [REDACTED]**
 - **Greenville, SC 29615**
 - **Office: [REDACTED]**
 - **Fax: [REDACTED]**
- **Patient needs assistance navigating MIDHHS to get Medicaid set up for her new residency in Michigan.**

Patient needs assistance with these two hurdles so that she can connect with a vocational rehab based out of Kalamazoo. This will allow her to learn to live independently and potentially not rely on living with family members as she has her entire life.

Any assistance you or your staff at [REDACTED] Clinic could offer [REDACTED] with this would be greatly appreciated.

Sincerely,

Adam C. DeVaney, LCSW
